Creative Curriculum – Reduce, Reuse & Recycle – about 6 weeks long.

Week 1 – Objective: What do we know about recycling?

Book: Hush! A Thai Lullaby

Week 2 – Objective: What do people throw away?

Book: The Paperbag Princess

Week 3 – Objective: Where does trash go?

Book: I Stink

Week 4 – Objective: How does trash affect our community?

Book: Garry and Harry

Summary: This month we will begin our new curriculum around the three “R”s: Reduce, Reuse and Recycle. Through exploring our environment, our class will learn how these three little things can help our planet. We will do this with hands on activities like reusing recycled products in our classroom for crafts and checking for litter outside.
