Week 1 – Objective: What are different kinds of exercise?

Book: Things I Like Doing

Week 2 – Objective: How do our bodies work when we exercise?

Book: Bearobics

Week 3 – Objective: What do our bodies need in order to move and exercise?

Book: Ninja, Ninja, Never Stop!

Week 4 – Objective: What jobs are related to exercise?

Book: “Slowly, Slowly, Slowly,” said the Sloth

Week 5 – Objective: How do people stay safe when they exercise?

Book: From Head to Toe

Summary: This month we will be doing a study all about exercise! Young children are constantly on the move which makes this study so exciting and enjoyable to learn about. We will be trying many different types of exercise, finding how our bodies work and move, and learning how we can take care of and fuel our bodies to move and exercise. This study will largely focus on physical development, but also include science, literacy, and math as well.
